Your Choice of Five Family Holiday Parks
near the West Dorset Heritage Coast

Highlands End • Golden Cap • Graston Copse • Larkfield • Sandyholme

Whatever your needs... we have the answer

If all you desire is to relax, take a walk to the beach, unwind by the Fishing Lake at Golden Cap or chill out using our Leisure Facilities at Highlands End then be our guest. On the other hand, if you are looking for something more energetic, then why not walk the coastal path and climb Golden Cap, play a game of Tennis or get competitive on the Pitch and Putt at Highlands End.

Caravan Holiday Homes For Hire

You can choose from our range of Caravan Holiday Homes which are available on three of our parks. Many of them have been awarded the 'Rose Award' and are truly a Home from Home for your holiday. Our Caravan Holiday Homes are 4 or 6 berth with the choice of 2 or 3 bedrooms. Visit our website for more information and photographs.

Self Catering Apartments & Bungalows

Located at Highlands End, the Apartments and Bungalows provide visitors with excellent self catering accommodation all year round.

Our recently refurbished Bungalows, Brimble Lawn and Mowers Mead, have outstanding views of the coast and countryside. An open plan living area and patio gives the opportunity to unwind and relax with family and friends.

Thorncombe, Ryecombe and Shatcombe are newly built Apartments, providing a peaceful environment with a private garden and wonderful views across the valley to Bridport and the coastline.

The Apartments benefit from the facilities of the Holiday Park a short distance away, with its indoor swimming pool, sauna, steam room, bar and restaurant. They are a very sustainable new development with under floor heating and in a fantastic location for all the family. Why not hire all three Apartments and have a truly memorable family holiday or reunion.

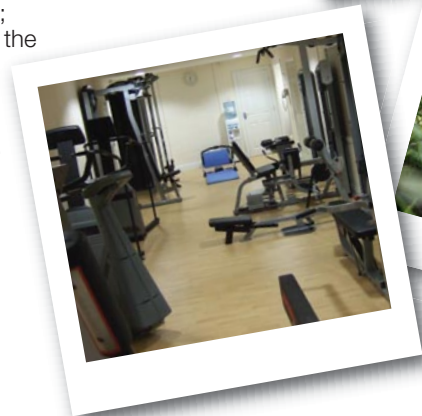

Touring and Camping

Touring and camping pitches are available on four of our parks, and you can choose the location and environment to suit your family.

You have the choice of Highlands End - with spectacular views of Lyme Bay; Golden Cap - a short distance from the beach; Graston Copse - a rural setting adjacent to a small wood; Sandyholme - set in the peace and quiet of the Dorset countryside.

The range of pitches for touring and camping units includes full service pitches and grass pitches with or without electricity.
